

## **Assignment 4: North End Quarry Community in the Sky**

### **ARCHITECTURE DESIGN: LEVEL 1**

#### **"Community and Privacy - Building in Earthtexture"**

For the next stage design in model form first at 1/8" scale and then draw plans and sections. Think of the materials you might use for "sky form, middle form and land form". Design how the rooms of your place would go together.

For the next pin up the following is needed:

1. A model of the area in simple block form at 1/8" scale. (to be done as a community project)
2. Model of your idea to be attached to this model at 1/8" scale.
3. Sketches of plans, sections, on one 20 x 30 board to show your design.
