Parking Inventory Issues

1. **Update on-street spaces**

2. **Match permits with MIT spaces**

3. **Use David's data to classify staff permits**

4. **Complete subsidy info on both staff and student side**
   - separate out-of-pocket and other charges
   - get price of Sloan spaces (architect)

5. **Estimate parking meter revenue**

6. **What issues do you want from Cambridge?**
